Synopsis

Project Title: -   Online PMT-Pass Portal

Introduction :-

PMT pass is an application which is used to generate and download PMT bus pass.
Old PMT pass system is manual and wasn't computer-based process.

In this system we are developing the web-based application which is totally user friendly, and using this application user can get buss pass within few days without going physically to bus depot.
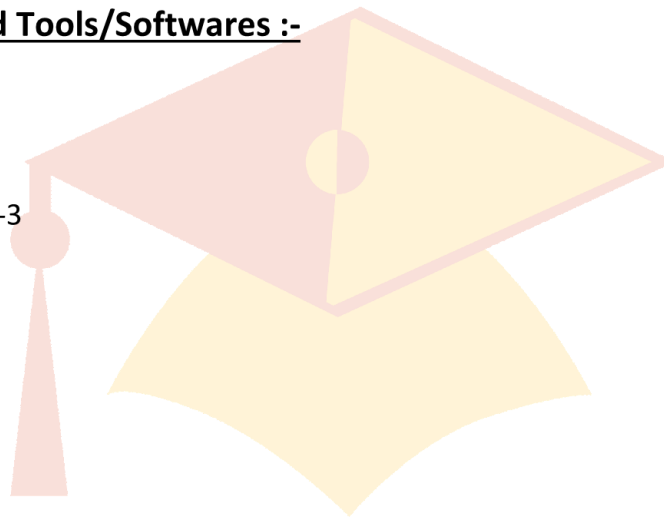

Technology and Tools/Softwares :-

- Java - 8
- Xampp Server
- JSP - Servlet
- HTML-5 & CSS-3

Teams :-

-
-

Features :-
